Richard Knight, Jr.
aka "Dick O'Day"

Dear Richard:

Just wanted to take a moment and tell you that the Department of Cultural Affairs certainly made the right choice in selecting "Dick O'Day's Big, Lovely Bingo" to kick off our summer Improv Game Show Series. What a unique and entertaining show! As always, you were wonderful and hilarious. The audience obviously had a good time and we loved the interactive aspects of the performance. It really added to the fun.

We were thrilled with the evening and hope to work together in the near future.

Sincerely,

Eva Silverman
Director of Collaborative Programs
