Dear Richard and Becca:

Just wanted to drop you a quick note of thanks for the tremendously entertaining job you two did performing at our Team I holiday party. Your show was hilarious and everyone enjoyed it immensely. We especially enjoyed the custom designed medley and many personal bits of information on each guest that you added to the performance. As promised, this bit of background skullduggery paid off in extra comical value. Many of our guests commented on the cleverness of this uniquely witty approach.

We had a fantastically enjoyable time and wanted you to know. We'll certainly have you in mind when we're planning our next party and we've already received several requests from guests about hiring you as well.

Sincerely

David Herro
